

# LINCOLN ELEMENTARY SCHOOL SCIENCE FAIR

What are you interested in? What do you know a lot about?  
What do you want to learn more about?

Choose a scientific topic to research and teach your friends about it.  
Feel free to choose any topic and present it the best way you see fit.

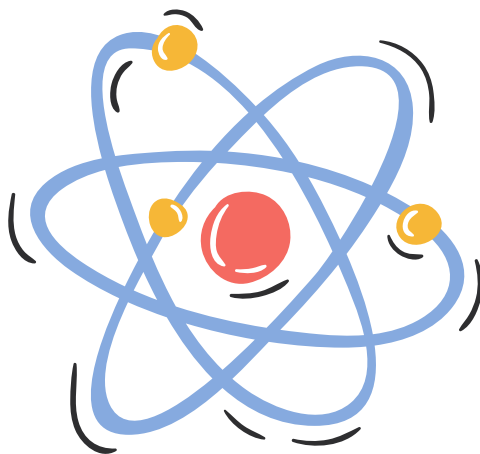

Will you make a poster, a digital presentation, a drawing, a model, build something, grow something, conduct an experiment or something else?  
Record yourself on your grade's Flipgrid for everyone to see and learn.

Please record yourself on our Flipgrid by May 21st.  
Three winners per grade will be announced on May 28th.

Sponsored by the Edison Township Education Association

Please fill out this [Google Form](#)
